

# YOU MAKE THE MUSIC POSSIBLE

## How Your Contributions Make a Difference:

### Because of You, We Perform the Extraordinary

Your support enables us to bring to life music that reaches beyond the ordinary—introducing new commissions and world premieres by a diverse range of living composers. These unique performances set us apart and inspire connections across generations and communities.

### Our Core Mission:

#### A Season of Discovery and Innovation

At the heart of our work is the concert season, featuring seven performances, with open rehearsals and preconcert chats, making music accessible to all. LJS&C strives to explore contemporary pieces and celebrate diversity in every program. We are committed to creating high-quality music performances by a passionate community of both volunteer and professional musicians.

### How Your Gift Powers Our Impact

**60% of our budget** comes from individual contributions and community support. Your generosity ensures that we can continue to bring transformative musical experiences to our audiences.

## You've Helped Us Create:

### **New Commissions and World Premieres:**

Over the past five seasons, we have showcased works by both emerging and established composers, ensuring that new voices in music are heard.

### **Collaborations that Inspire Young Talent:**

We inspire a lifelong love of music by connecting youth with professional musicians through programs like the **San Diego Youth Symphony Side-by-Side** rehearsals. Our collaboration with **Preuss School** blends music with art, opening doors to creativity and inspiring young minds. Through **Link Up with Carnegie Hall**, a nationwide initiative, we further engage local students, providing them with hands-on musical experiences that foster both music literacy and a life-long passion for music.

### **Meaningful Performances and Community Engagement:**

With **free chamber music concerts** in libraries and community gathering spaces, we bring music into the heart of our community, ensuring it touches every corner of San Diego.

## Thank You for Believing in Us

With your help, we continue to foster this passion for generations, creating a lasting impact through the arts.

We are more than just an orchestra and chorus—we are a community united by the belief that music matters. Thank you for being an essential part of our story!
